

## Search Engines

### **Web Active Directory**

<http://www.webactive.com/directory/>

An annotated, searchable directory of 1,250 progressive groups that are online. Users can input a key word, and quickly use hyperlinks to find their way to the progressive sites that best respond to their interests.

### **Capital Advantage**

<http://capitoladvantage.com/h/index.html>

Founded in 1986, Capitol Advantage is the nation's largest publisher of Congressional directories. Capitol Advantage is also the developer of CapWiz, a grassroots legislative action tool in use on hundreds of corporation, association, and media organization web sites.
